

TAKE THE CHALLENGE

Raising Disciple-Maker Seminar Discussion Questions

Session 4a – Growing Up the Pre-born and Infants (start thru 0:43)

1. Disciples cannot be raised up by preaching and teaching alone. Disciples are made in the context of _____
2. List three of the “one anothers” commanded in the New Testament. _____

3. The pre-born are separated from God. What is the greatest need they have in order to progress to a spiritual infant? _____
4. How can you tell a church member is an infant? _____
5. The greatest need of a newborn is not milk, but _____ Explain why that is.

6. Every newborn needs a mother, needs a father (a disciple-maker) to care for them. List the two things that are required for newborns to grow. _____
Are these needs best met from the pulpit or through the individual care of a disciple-maker? Explain your answer below. _____

7. Newborns need to be cared for with gentleness and love. They are like tender plants that can easily be crushed. Explain why newborns should not be commanded to follow rules or immediately give up their vices (sinful ways) upon entering the family of God. _____
